

Grady Management, Inc.

Jacqueline Sharkey

VICE PRESIDENT • ACCOUNTING/FINANCE

Jacqueline Sharkey is a seasoned finance professional with over two decades of experience driving financial performance and leading transformative change in both nonprofit and private sectors. She is recognized for her strategic acumen in financial planning, team building, and operational optimization.

Jacqueline holds a Bachelor of Arts in International Business and International Relations with a minor in French from Eckerd College. Her academic background, combined with her practical experience, has equipped her with a global perspective and a nuanced understanding of financial systems and operations.

Throughout her career, Jacqueline has consistently demonstrated her expertise in reorganizing and streamlining financial operations, enhancing reporting accuracy, and maximizing profitability. Her leadership is marked by her ability to tackle operational and financial challenges with confidence, leveraging her cross-functional expertise to deliver high-impact solutions.
